Week 3: Values and Attitudes

Step 1: Values are a person's fundamental beliefs, how we have learned to think about how things ought to be. Have a conversation about values with your learner (this will take 2-6 minutes per learner).

Ask, in order:

1. What are some things you value?
2. Why are those values important to you?
3. How do you demonstrate those values to the world?
4. Who is someone who shares the same values as you? Describe some of those values.
5. How do you feel when someone has very different values than you?

Step 2: Watch one of the following movies. You can do this together or you can have them do this on their own (this will take 1.5-2 hours).

[Footloose](#) (PG)

[Mary Poppins](#) (PG) [Mary Poppins \(G\) Original](#)

[Harry Potter and the Sorcerer's Stone](#) (PG)

[Free Willy](#) (PG)

[Black Panther](#) (PG-13)

Step 3: Have a conversation with your learner (this will take 2-6 minutes per learner)

In order ask:

1. Think about a person in the movie with strong values. What things do they value?
2. How do you know? What things does the person do to show what they believe in?
3. Is there someone in the movie who doesn't share the same values? How are they different?

Step 4: Do the IMAGO Values and Attitudes lesson. You can do this together or you can have them do this on their own. (this will take 30-60 minutes)

Step 5: Have a conversation with your learner (this will take 2-6 minutes per learner)

Ask: What did you learn?

Step 6: Find'em Challenge (this can take hours or days but have fun with it)

Everyone finds 3 - 5 examples of Values in your lives. It can be done by you, others, seen on TV or done in a book. Share them with each other at the end of the week.

Share that on any of your social media and tag with **#IMAGOfamilychallenge**
